

**TRADING & AGENCIES**

# COMPANY PROFILE

**2021**

# **ABOUT US**

**EFCO FOR TRADING AND AGENCIES LIMITED provide expert packaging and plastic solutions to businesses and industries in Kenya, East Africa and other Sub-Saharan countries and represents various reliable manufacturers of packaging and plastic, machines and materials. We are committed to offering the world's finest packaging and plastic systems. Since establishment our company has continually supplied quality packaging and plastic solutions with an experience of over 25 years. Through research and product development, we translate the customer's needs, ideas and dreams into reality through new product design, testing and after sale services.**

**We concentrate on eco-friendly products and ensure that we meet the standards related to environmental protection.**

## VISION

To be the preferred partner in packaging and plastic industry in Kenya, East Africa, and other Sub-Saharan African countries.

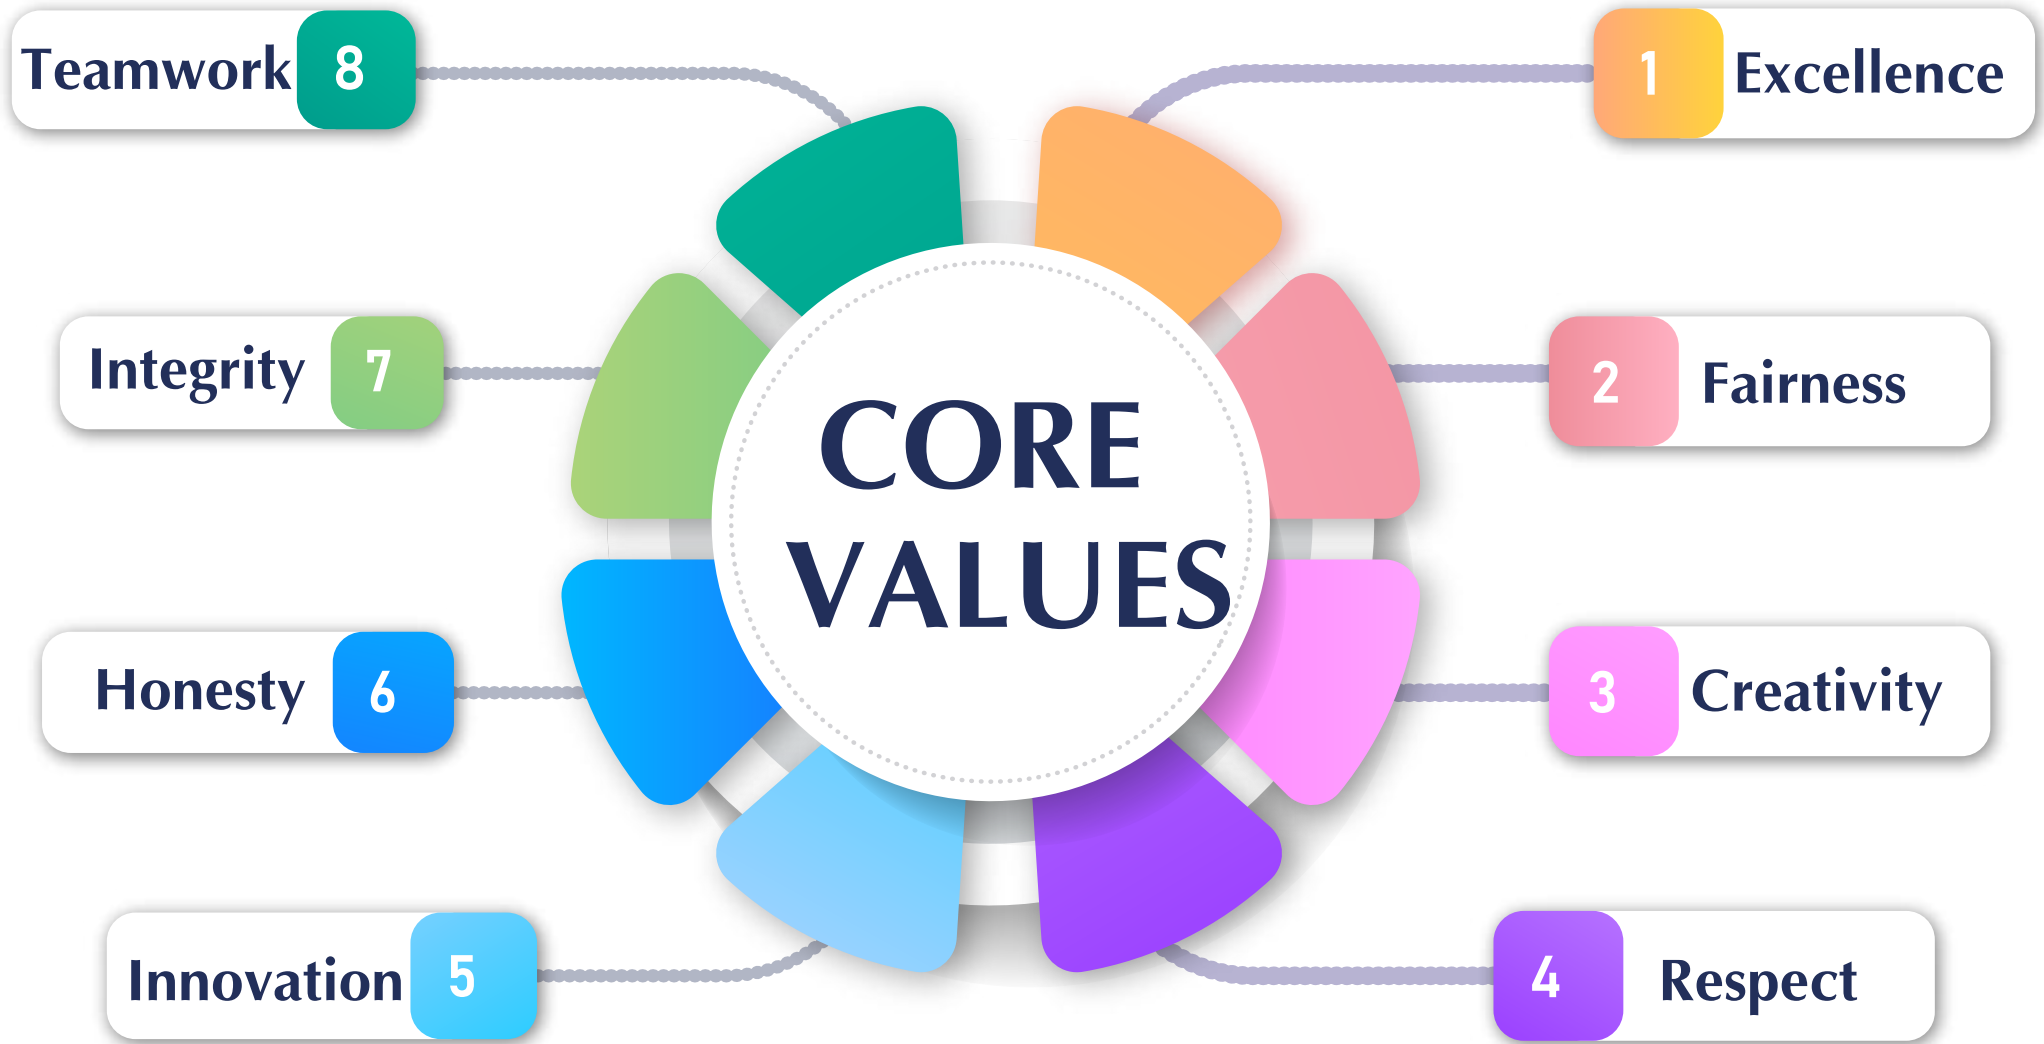

## MISSION

We are dedicated to providing customers with premium products and services by promoting high standards criteria on our work.

We are committed to support the community and concentrate on a long-term goal of development and protect the environment. Our business values are the cornerstone in our working process.

Our main focus is to build a long-term relationship with our customers, suppliers, stakeholders, and employees. We strive for growth, development, and prosperity for all our business partners.

# **MANAGEMENT PHILOSOPHY**

**Our management philosophy is to provide an environment that makes our employees productive, trustworthy, have integrity and demonstrate efficiency with empathy and accountability. We attain this through conflict management, keeping the team spirit high, encouraging the low performers, and rewarding the high performers.**

# **GROWTH & STRONG FOUNDATION**

**EFCO FOR TRADING & AGENCIES LTD is among the best suppliers in packaging and plastic, Machines and materials in Kenya, East Africa and other Sub-Saharan countries. Continuous improvement of our internal processes, consolidations and market developments are opening new growth opportunities.**

# **CUSTOMER FOCUS**

**Our focus is to build a long-term relationship with our customers through effective and flexible customers solutions, both technical as well as logistical.**

**Customer's benefit is generated through the highest product quality, timely deliveries, competent support, and the committed service of our employees at a fair price.**

**Our many years of reliable work along with the strong and uncompromising customer orientation have made us a preferred partner of well-known companies. Our strengths emerge also from a large bandwidth of satisfied customers, from the small businesses to international corporations.**
